## ***ANNOUNCES***

### **Art. 1 Research Project**

There will be a public selection procedure, based on qualifications and an interview, for the assignment of One (1) - "Type of Grant: "Senior Fellowship with PhD in addition to two years of scientific-professional experience (*Assegno di Ricerca Post Dottorale* oltre a due anni di esperienza scientifico-professionale)" to conduct research related to the Scientific Area "Biology, Physics, Chemical Sciences, Sciences and Technologies Forestry and Environmental, Sciences and Technologies for the Environment and the Territory, Mathematics, Statistical Sciences" at the Research Unit (URT) CNR-IRET/University of Salento of Lecce, within the context of the research activities of the LifeWatch ERIC Internal Joint Initiative, on the following topic: "Short and long term responses of aquatic ecosystems to alien species colonization and invasiveness", under the supervision of Professor Alberto Basset.

#### **Research program:**

1. Data mining on species and ecosystem responses to alien species patterns of ecosystem colonisation and invasion;

2. Data aggregation, curation, analysis and modelling using the LifeWatch ERIC virtual research environments;
3. Developing models required for the scenario development of species and ecosystems responses to recent and growing Non-Indigenous Species (NIS) invasion on model aquatic ecosystems.

## **Art. 2**

### **Duration and amount of the Research Grant**

The research grant will run for **twenty four (24) months** and, as result of any renewals, may not, however, have a cumulative duration of more than six years, according to art. 22 paragraph 3 of Law 240/2010, excluding the period in which the grant was received in connection with a PhD, not exceeding the legal length of its course.

According to Art. 4, paragraph 2 of the specifications for the assignment of grants, the total duration of fixed-term relationships with the CNR must not be above 12 years, even if not continuous, including all employment relationships, collaborations, research grants and scholarships. These do not include relationships of association, other, unpaid, forms of cooperation, and the Ph.D.; time spent on maternity leave or for reasons of health will not be taken into consideration in the calculation, according to current legislation and the periods prior to 1 May 2011.

Any postponement of the start date of the research activity of the grant for research activities, or any disruption thereof, will be allowed in case of maternity or illness exceeding thirty days. The interruption of the activity part of the assignment of the grant for research activities that is justified under the foregoing provisions, shall entail the suspension of the payment of the amount of the grant for the period in which the interruption itself occurs, excluding the prevision of art. 13 of the disciplinary or other specific rules. The end date of the grant for the research activities will be extended by a period equal to the duration of the interruption.

The amount of the research grant, paid in **twelve (12)** monthly instalments is set at **EUR 26.000/00 (twenty six thousand/00)** net of expenses, to be administered by CNR.

This does not include any remuneration for travels in Italy or abroad as may be necessary to carry out the research activities related to the grant. The emoluments of the travel entitlements are determined in proportion to that of employees engaged at the CNR at III professional level.

The grant recipient is covered by an insurance cumulative policy underwritten by the CNR.

## **Art. 3**

### **Requirements for admission to the selection**

Individuals may apply for the position who, whatever their nationality or age, are in possession of the following requirements at the date of expiry of the deadline for submission of applications:

- a. Master's **Degree in Biology, Physics, Chemical Sciences, Sciences and Technologies Forestry and Environmental, Sciences and Technologies for the Environment and the Territory, Mathematics, Statistical Sciences;**
- b. PhD within the thematics referred to Art.1 with a minimum three-year duration in addition to two years of scientific-professional experience, also documented by scientific

- publications;
- c. All qualifications obtained abroad (Master's degree, doctorate, and any other qualification) must be previously recognized in Italy in accordance with current legislation (information on the website of the Ministry of University and Scientific Research: [www.miur.it](http://www.miur.it)). The equivalence of those diplomas obtained abroad which have not already been recognized in Italy with the expected formal procedure above, will be evaluated, with the only purpose of the current recruitment, by the Examining Committee constituted according to art. 6, paragraph 1 of the Regulations;
  - d. Experience and/or knowledge in the thematic of the call;
  - e. Proven knowledge in ecological theories at community and ecosystem level;
  - f. Proven experience in NIS research and management projects (participation/direction of competitive projects on issues strictly related to those of the call);
  - g. Knowledge of open access digital archives for research products (papers, data, software, etc) and knowledge of the Open Science paradigm and FAIR principles, with particular reference to those consistent with the specific topic of the research programme;
  - h. Knowledge of the main statistical analysis and modelling techniques;
  - i. Experience in programming languages (C/C++, Python, R);
  - j. Good knowledge of English, both written and oral;
  - k. Proficiency in Italian (only for foreign applicants).

The research grant cannot be combined with scholarships provided by the CNR or other organizations and research institutions, except those granted by the CNR or national or foreign institutions which serve to supplement the research activities of grant holders with visiting periods abroad. The holders of research grants may attend PhD courses that do not result in the payment of scholarships.

Employees of the CNR with permanent or fixed term contracts and permanent staff employed by other parties as indicated in art. 22, paragraph 1, of Law n. 240/2010 cannot apply, and applications from government employees/contractors will involve the placement on leave without pay.

According to Art. 22, paragraph 3, of the aforementioned law, the ownership of this grant is not compatible with participation in an undergraduate or Master's degree, PhD with scholarship or medical specialization school, in Italy or abroad.

#### **Art. 4** **Applications and deadlines**

##### **APPLICATIONS**

Applications, which must use the attached form (attachment A), should be sent to the **Research Institute of Terrestrial Ecosystems, CNR**, exclusively by certified mail *Posta Elettronica Certificata – PEC* to the email address: [protocollo.iret@pec.cnr.it](mailto:protocollo.iret@pec.cnr.it) by the final deadline of the **30 November 2020**.

**Emails must have as subject:** Notice of selection n. **IRET162020LE**.

Applications submitted after the deadline and incomplete applications will not be taken into account. Applications sent by email will be considered valid if the applicant is identified by the electronic system through the log-in information related to the personal account of Posta Elettronica Certificata – PEC. Overseas candidates can send the application via simple email (to the email address: [segreteria@iret.cnr.it](mailto:segreteria@iret.cnr.it)) and then sign it during the oral selection. An email to confirm the receipt of documents will be sent at these applicants.

Applicants must produce a form of self-certification curriculum in PDF format to be completed in accordance with Art. 46 and 47 of Presidential Decree 445/2000 and subsequent amendments, and to this end they must use the attached form (attachment B), which testifies the truthfulness of the contents of the Curriculum Vitae, accompanied by a photocopy of a valid identity document (art. 76 DPR445/2000). The same identity document, with legible signature, should be presented at the oral interview. No other documents will be accepted.

In the curriculum the applicant must indicate personal details and qualities, in particular she/he must analytically indicate studies, qualifications, publications in print and/or patents, services provided, functions performed, positions held and any other scientific, professional and educational activity, supplying the exact references for each qualification cited. The aforementioned declarations have to be analytically detailed and contain all the elements needed for the selection, so that the examining commission can evaluate the titles to which they refer. All information furnished in a form different from that stated above will not be taken into consideration.

The auto-certification required for Italian citizens applies to all EU citizens (Article 3, paragraph 1 of Presidential Decree 28 December 2000, n. 445). Non-EU citizens resident in Italy can use the affidavits only in cases where personal details and qualifications are certifiable or ascertainable by public or private Italian subjects.

The administration will perform suitable checks to verify the truthfulness of the declarations furnished under art. 71 of DPR 445/2000.

Applicants with disabilities must explicitly request, in the application for the position, the level of support required for their disability.

The applicant's products (e.g., technical reports, monographs, book chapters, and patents) that cannot be found on the internet or those that can be found on the internet but are not access free, should be sent by the applicant by e-mail.

**The applicant must not produce any further documentation in accordance with art. 15 L. 183/2011.**

The application must be accompanied by the form (attachment C), in PDF format, concerning the information on the processing of personal data provided pursuant to Regulation (EU) no. 2016/679; the aforementioned form must be completed, dated and signed by the candidate with a legible handwritten signature.

All the communication regarding this call for applications will be sent to the PEC/email address of the candidates, CNR does not assume any liability for any possible unforeseen lack or inefficiency of web connection.

**Art. 5  
Exclusion from the Selection**

Applicants are conditionally admitted to the selection process.

Exclusion from the selection process because a candidate does not meet the stated requirements

can be arranged at any time by the Director of the Institute, stating the reasons. The nature of the exclusion will be communicated to the applicant.

## **Art. 6 Examining Committee**

The Examining Committee shall be appointed by order of the Director of the Institute and will consist of three persons, one of whom will be the project manager, who may be internal or external to CNR, with profiles of researchers and experts in the field and two alternate members, internal or external to the Institute; the Director, if it is deemed necessary to activate the procedure of equivalence of qualifications obtained abroad, as in the last sentence of paragraph 1 art. 3 of the Regulations, may appoint, among the components of the Committee, a university professor. The functions of secretary may also be provided by a member of the Committee.

In the first meeting, the Committee will appoint its own President, and, if necessary, the person who will perform the functions of secretary.

The Committee may carry out the interview process also with the aid of videoconference tools. The Committee will conclude its work within sixty days after the deadline for submitting applications, except in cases of substantiated impediment.

## **Art. 7 Selection procedure and Ranking**

The Committee will make its selection by evaluating the qualifications and an interview. The Committee has a total of 100 points, composed by 70 points for the assessment of qualifications and 30 points for the interview. (Candidates who achieve, in the examination of qualifications, **a minimum score of not less than 42/70** will be admitted to the interview. The interview will be considered passed if the candidate receives **a minimum score of not less than 21/30**).

The Commission will declare the preliminary criteria and parameters which it will adopt, with specific reference to the characteristics of the research project. These criteria and parameters include the requirements for the type of grant of the advertised position - such as assessment of the degree, Ph.D., diplomas, certificates of attendance and post-graduate qualifications, obtained in Italy and abroad, and of the research activities in public or private institutions, under contracts, grants or assignments of collaboration, both in Italy and abroad, in the manner stated in Article. 4.

Those who have applied for the position according to the terms and conditions set out in Art. 4 and who have not received notice by PEC or e-mail, of exclusion from the selection, must be present at the Research Unit (URT) CNR-IRET/University of Salento of Lecce, c/o Dipartimento di Scienze e Tecnologie Biologiche ed Ambientali, Strada Provinciale Lecce – Monteroni 73100 Lecce (LE) Italy, **on December the 15th, 2020, at 11,00**, to attend an **interview**, unless otherwise noted or communicated by PEC, or ordinary email if overseas, in advance.

**The publication of this Notice must be considered as a call.**

**The commission is able to carry out the interview in remote mode** using audio / video computer support according to the operating procedures that will be communicated by the Institute / Structure of the CNR.

After the interview, the Committee will compile a list of the applicants examined, giving the score each candidate obtained in the interview, and the list, signed by the President and the Secretary of the Committee, will be posted on the site of the examination the same day of the interview.

To be eligible for the interview applicants must present a valid identity document. Applicants who are not present at the interview will be declared ineligible.

At the end of its work, the Committee will prepare a report in which documented judgments on each applicant are expressed, even in a synthetic form.

The committee will draw up the merit ranking in descending order with respect to the final score, according to the sum of the scores achieved in the evaluation of qualifications and the interview, and indicate the successful candidate(s). In case of equal ratings, the younger candidate will be preferred.

The merit ranking will be approved by the Director of the Institute, who will publish the same on the notice-board of the examination site, and on the CNR website: [www.urp.cnr.it](http://www.urp.cnr.it), together with all the other forms of advertising provided for this notice of recruitment.

The inclusion of appropriate candidates in the ranking is not permitted. However, the Director of the Institute, after consulting the head of the research project, can replace one or more successful candidates who declines the offer of the grant before using it following the order of the merit ranking.

The National Research Council will not reimburse any expenses incurred by candidates for participation in the interview.

## **Art. 8**

### **Formalization of the relationship and termination of the contract**

Within 15 days after publication of the list, the Director of the Institute should submit to the winner/s of the selection, in two copies, the order of assignment of the research grant, in which, among other things, the starting date of the research will be specified. By the deadline of 15 days from the date of receipt of said notice, the winner/s of the selection must mandatorily return a copy of the said notice, countersigned for acceptance together with a declaration that they are not under any of the impediments of Art. 3, paragraphs 3,4,5 and art. 4 c. 2.3 of the Specifications. Any delay in the beginning of the research can be justified only in cases provided for by Art. 2 of this notice of selection or for reasons of force majeure duly substantiated.

The contractor shall submit to the Director, within thirty days from the date of acceptance of the grant, the following documents prepared in accordance with the provisions of Presidential Decree 445/2000:

- a. self-certification, indicating date and place of birth, citizenship, political rights, and education;
- b. a declaration in lieu of an affidavit, on ordinary paper, of not having been dismissed or retired from the Public Administration for persistent poor performance, and not having been revoked by another state employment for having achieved it through the production of false or invalid documents and that she/he was not disqualified from holding public office on the basis of res judicata;
- c. Photocopy of tax number (codice fiscale);
- d. Where the successful candidate is a Public Administration employee, before beginning the research activity she/he must submit a copy of the order of placement on leave without pay.

Documents issued by the competent authorities of the State in which the foreign candidate is a citizen must comply with the provisions in force in that State.

All self-certification forms will be deemed to have arrived in good time, even if sent by registered mail with return receipt within the period mentioned. To this end, the stamp and date of the post office will be considered as a reference.

Whoever, after starting the planned activity, interrupts it without justification, or does not carry it out regularly and continuously for the entire term, or is responsible for serious or repeated misconduct or, finally, proves not to have sufficient attitude, may be terminated, with the proper justification by the Director of the Institute, from the further receipt of the grant.

The measure referred to in the paragraph above will be taken on the advice of the Research Project Manager. If the grant recipient, on the grounds of personal reasons, cannot carry through the planned activities and decides to give up the grant in advance, she/he must promptly inform the Director of the Institute and the Research Project Manager. It is understood, in this case, that the grant holder must return any amounts received and not due.

### **Art. 9** **Evaluation of the research activity**

The Research Project Manager and the grant recipient will forward to the Director of the Institute, before the expiry of the contract, a complete report showing the progress of research.

The Director will consider the report with reasoned judgment and at his own discretion. In case of a positive evaluation, and at the request of the Research Project Manager, the Director will decide on the renewal of the grant and, should it be the case, an upgrade to the next highest amount for the type of grant referred to in this call for applications. (Art. 9 c. 5 of the Regulations).

### **Art. 10** **Privacy policy**

The personal data provided by the candidates will be processed for the purposes of management of this recruitment process, including the possible use of rankings and for the subsequent eventual assignment of the grant, as specifically indicated in the information contained in the form in Annex C.

The data will be processed by the National Research Council - Piazzale Aldo Moro n. 7 - 00185 Rome, as Data Controller, in compliance with Regulation (EU) no. 2016/679 and Legislative Decree 196/2003. The contact point at the Owner is the Director of the structure that issued the selection notice whose contact details are: institutional email of the structure – physical address of the Institute.

The provision of data is mandatory for the assessment of participation requirements, under penalty of exclusion from the selection.

All interested parties enjoy the rights referred to in articles 15 and following of Regulation (EU) 2016/679, as specified in the information contained in the form (attachment C), as per art. 4 of this selection notice, which can be exercised in the ways indicated in the form itself.

**Article 11**  
**Advertising**

The call for applications notice shall be made public by the Director of the Institute, by publication on the website of the CNR [www.urp.cnr.it](http://www.urp.cnr.it), by posting on the website of LifeWatch ERIC and MIUR and later on the website of the European Union, in addition to particular forms of advertising specifically required by the funders of the programs concerned.

**Article 12**  
**Final Provisions**

Where not explicitly indicated in this notice, for the compatible parts, the provisions of Regulations currently in force, relative to research grants, and, mutatis mutandis, to competitions, apply.
