

**Upon the 260<sup>th</sup> anniversary  
of the first scientific description of *Proteus anguinus* [Lacerta caeca]  
by Joannes Antonius Scopoli,**

**in partnership of  
Speleovivarium Erwin Pichl, Adriatic Speleological Society,  
Trieste Natural History Museum, Municipality of Trieste, and Tular Cave Laboratory,**

we are cordially inviting you to the

**4th International meeting SOS *Proteus*:  
CONSERVATION OF *PROTEUS* AND ITS HABITAT  
FACING CLIMATE CHANGE CHALLENGES**

*Research and conservation of *Proteus* and protection of karst water resources  
in climate change perspective*

**May 21 – 22, 2022,  
at the  
Trieste Natural History Museum,  
Trieste, Italy,**

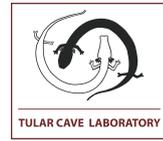

*under the patronage of  
European Commission, Italian Ministry for Ecological Transition,  
Friuli Venezia Giulia Region, Elettra Sincrotrone Trieste, Italian Speleological Society,  
and Regional Speleological Federation FVG*

*Supported by*

## Social and cultural programme

### Friday, 20<sup>th</sup> May

If you are already in Trieste on **Friday evening**, the meeting point is at the Natural History Museum of Trieste (Via Tominz 4, Trieste) at **18.15**.

From there, a bus transfer is organised to take us to the Trieste Karst tourist farm "Milič Zagrski" (Località Sagrado 2, Sgonico, Trieste; <https://www.miliczagrski.com/>), returning back to the Museum before 23.00.

### Saturday, 21<sup>st</sup> May

**Saturday evening** social dinner at the "Pizzeria Da Pino" at 19.30.

It is a pizzeria, but also a restaurant in the centre of town ([www.dapino.it/2020/08/26/da-pino-trieste/](http://www.dapino.it/2020/08/26/da-pino-trieste/)). Those who confirm their presence at the secretariat, will receive a coupon with a special discount of 12 €, reserved only for the participants of SOS *Proteus*. Then you can order and pay a meal of your choice.

After the dinner, you will have the opportunity to visit the **Speleovivarium Erwin Pichl** (<https://sastrieste.it/index.php/speleovivarium/>).

### Sunday, 22<sup>nd</sup> May

On **Sunday afternoon** (15.30), we invite you to a free guided tour of the Grotta Gigante (Jama v Briščakah) near Sgonico, in the Trieste Karst ([www.grottagigante.it/](http://www.grottagigante.it/)).

Registration required at the registration desk. Participants should organize their own transport to the cave by car or by bus (line 42 from Piazza Oberdan).
